**Thank You For Your Support
Of Keira's
Dream Room Makeover...**

A Huge Thank To Everyone Involved With Bringing Keira & Her Sister, Bella, Their Dream Room Makeovers...

A Note From Mom and Dad...

To all of the incredibly talented and compassionate volunteers, designers and sponsors - thank you so much for giving our girls the most amazing bedrooms! When we first learned that Rooms of Hope was going to give Keira her room makeover we had no idea what to expect. Keira was nervous about losing her old room but excited and anxious to see her new forest themed room. When we opened the bedroom doors for the reveal we couldn't believe it! The rooms truly felt magical. The attention to detail made the rooms not only aesthetically pleasing but also functional for all of Keira's medical equipment. We love watching Bella create art in her new Paris room and cozying up to read with Keira under the forest canopy. Our family is so grateful for the generosity and creativity that went into giving our girls their magical rooms.

From our hearts, thank you all.
