## A Special Deliveries of Hope Edition...Designed By Rooms of Hope & Built By The Family!

### A Note From Brinkley's Mom

Good morning Shelley, Niki and "Dream Room" Donors,

We are humbled and honored that you have given Brinkley this incredible opportunity to celebrate play and fun!

Her life started with and has remained complicated with reaching medical milestones and setting new scientific precedents. She has been studied for her rare Chromosome Mutation and has had surgery to repair many of her main operating systems (that have placed her life at risk more than a handful of times in her fourteen years). In short, she's been a warrior for her own survival since her very first breath.

Teaching Brinkley to relax and play, to take a break from worrying about her circumstances and outcomes is something we have been working on everyday since she was born. She has never not been in some degree of pain, so giving her distractions and focus away from her many challenges is absolutely key to her enjoying a greatly improved quality of life.

Using the tools, furniture, and creative embellishments you provided, we spent our weekend putting together a Room of Hope and absolute delight for our daughter! Brinkley held a screwdriver for the first time and although it was a challenge to make it go, so persevered. We each had to take breaks throughout the day for emotional overwhelm, as our journey here was ever present for us. We talked about how hard it is to be a patient, a caregiver and a sibling of someone suffering. We chatted about how grateful we are to be seen as worthy of this gift, and hugged each other tight and posed for a selfie together to celebrate its completion!

Thank you for your generosity and the giving spirit it takes to recognize and witness someone like Brinkley and honor the path she walks with fear, hope, gratitude and grace. We will pay your kindness and compassion forward with the courage it takes to stand for others and shine a spotlight of empathy in sometimes very dark, scary places.

Fondly and with our heartfelt thanks,  
Brinkley's Family (The Woodward's & The Nunes')
