

Thank You For Your Support of Cooper's Dream Room Makeover

A Special Deliveries of Hope Edition...Designed By Rooms of Hope & Built By The Family!

A Note From Cooper's Dad

Shelley and Stephanie

At last, we presented Cooper and Remo with their new rooms.

First, i have to say, they are absolutely so flippin EXCITED and over the moon!!!!

The new rooms are such a healer and such an upgrade to their lives and I don't know how to share in words the feeling we have toward you both for this gift.

It comes at the most challenging time and i feel with all my heart it is giving Cooper and our family the extra push of love and hope and AWESOMENESS to turn this corner and get back to perfect health and wholeness.

A few things...

We diverged a little from your plan. It was really difficult to pull off all the little details in your plan with the handyman in the house and Cooper's immune system obviously being compromised.

Also, the surprise factor was impossible. It's been tricky to have Cooper out of the house for too long. Over the past few weeks, her count (ANC) was close to 0, given the current phase of treatment. So we did the best we could to pull of your AMAZING design plan. but as you'll see in the videos, it's not all there. That being said, what is there is ABSOLUTELY A DREAM for Cooper (and Remo)!!!

All said and done, your intention to bring hope to Cooper and our family is a 1000000000% success and Cooper feels that every single moment she's in her room, reading on her puffs, sitting on her purple chais, cuddling in her pink sheets and beautiful new bed, turning on her glitter lamp, closing her pink star currents, staring at the shiny decals on her wall.

We are FOREVER GRATEFUL to you both for what you have gifted us and we will FOREVER be a supporter and patron of Rooms of Hope.

WE LOVE YOU

Cooper, Remo, McKenna and David
