A Note From Symphony's Big Sister, Melody...

We wanted to say thanks to you and the crew for making Symphony the room that she wants. She is really happy about her room and she's surprised how the room was done so quickly.

We appreciate you doing this for Symphony!

Thank You to everyone!!!

Welcome To Symphony's Dream Bedroom ...

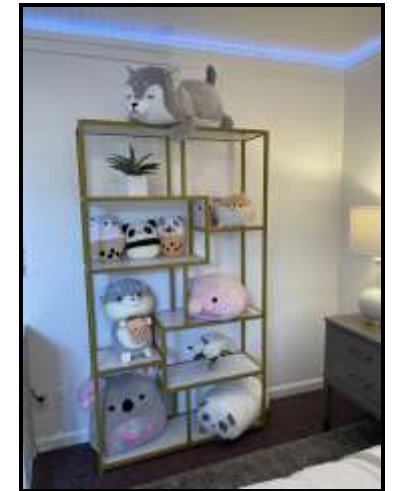

Her Very Favorite Things Including Her Collection Of Plush Animals!

We Take This Moment To Honor Jason, and His Memory, As He Referred Us To Displate When We Were Creating His Dream Bedroom Last Year. The Collection Of Six Wall Hangings, Below, Are From A Company Called Displate. We Would Have Never Known About Displate Without Jason's Input. Thank you, Jason...and Symphony Loves Her Anime Wall Art & Desk!
