A Note From Andrew's Father...

Dear Rooms of Hope Family,

We are so delighted about our positive experience with Room of Hope! Andrew's room was a delightful surprise, and it was fantastic to see that the rest of the apartment was designed with our tastes in mind, showcasing style and class throughout. What a wonderful testament to their thoughtful approach to design and creating spaces that resonate with their clients.

Emily sketched this art from the art drawings from the art supplies provided to her. Thank you so much Shelley, Anna, Anne and of course ALL the volunteers that helped with the project.
