A Note From Angie...

Dear Rooms of Hope Family,

I just want to start off by thanking everyone who helped make my room exactly what I wanted. I have always wished my room to be this beautiful.

Getting sick showed me a lot and made me very grateful for everything I have. I am so grateful for the opportunity I had with you.

Everything is so amazing, and my bed is so comfortable! I feel like I'm sleeping on clouds! I just can't get over how everything came out!

Again, I want to say THANK YOU to everyone who helped make my dream bedroom.

Sincerely, Angie
