A Note From Zain's Mom...

Mom Even Said, "You Did Exactly What Zain Wanted!"

Hi all, I don't even know where to begin!

*Thank you, thank you, thank you!
This whole experience has been so
uplifting for the whole family.*

The kids haven't left their rooms since the reveal...they are playing together and showing each other all the little details, they keep discovering in their rooms.

We are all so blown away by your kindness. These rooms are more amazing than anything we could have imagined. You guys thought of every detail and gave the kids "the best rooms ever in the whole world" as the kids put it. Truly Pinterest worthy!! We are just so grateful and will never be able to thank you enough for showering our kid with so much love.

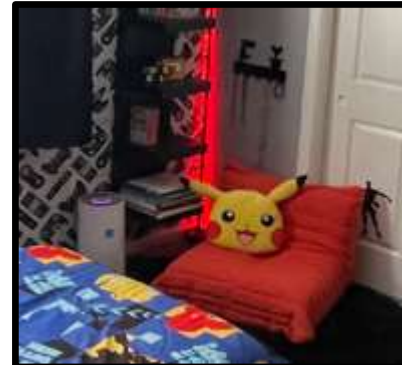

I was prepared to come home and put all the toys and clothes away into their new rooms but was shocked to find everything put away and every single detail taken care of. I don't even know how you all pulled this off in 2 days. We're still in shock.

Thank you to everyone involved for making this the most uplifting and heartwarming experience.
