# A Note From Novie's Mother...

*Hello Our Hope Angels,*

*The Mack house is officially FUN again, and it is all thanks to your hard work and imagination!! Giving your time to our family has reinvigorated both Novie and Tilden's curiosity and independence.*

*When Novie was diagnosed with cancer, our lives inextricably changed, we were scattered, scared, and learning how to adjust quickly. Yet, through all of our challenging experiences, our twins were strong, brave truly an inspiration to us all. Rooms of Hope has created an incredible new space for our girls and has injected a jolt of happiness back into our home!*

*Originally, the girls' room was essentially a soft room, mimicking hospital rooms we've seen so frequently. Because of you, Novie and Tilden have a colorful, joyous wonderland in which to explore, learn, and play!*

*I know we will never be able to thank you enough, but you have inspired us to donate our time in the future to give this gift of hope and kindness to others.*

*Shelley, you and your family are an inspiration! Transforming the lives of not only your own children, but many many others who have had to experience and understand more than they should!*

*We are eternally grateful for your gifts to the community and our family!*

*All our love and gratitude from our whole hearts!  
- Novie, Tilden, Brandon, and Meagan*
