A Note From Lavinia's Mother...

With a heart full of gratitude, I want to thank you all immensely for the wonderful work in transforming my children's room. Every detail, thought out with so much love and care, has made this space a true haven of comfort, joy and hope.

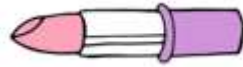

A special thank you to Shelley, whose organization and commitment were fundamental to the success of this very special project. Anna, who coordinated everything with such care; to Anne, who brought the space to life with her creativity and dedication. Seeing my daughter so excited and happy when she entered her room was an unforgettable moment. You not only transformed a space, but you brought light and hope into our lives.

Thank you to the entire team for every gesture, every effort and for showing us the power of love and solidarity. You are true angels, and we will never forget the impact you have made on our family.

*With all my love and gratitude,
Priscila. ♥😊*
